CITY GUIDE "The Pad Thai is to die for!"

Time Out New York

Like Highline and Sea, this Thai newcomer is luring diners with slick modern decor, along with reasonably priced traditional dishes. Chef Sunny Sompong, formerly of Planet Thai, used fresh herbs, minimal oil and no MSG, turning out healthful, innovative, artfully presented dishes. In addition to the usual favorites - spring rolls, basil chicken red curry - you'll find an entrée of succulent duck marinated in Thai herbs and bathed in a piquant tamarind sauce

The New York Times

TINY THAI CAFE, a sleek new spot at 693 Ninth Avenue (48th Street), has a section on its otherwise typical menu for "interesting dishes, " among them vegetarian duck (made with gluten) in chili basil sauce.

ZAGAT SURVEY

Hell's Kitchen teems with Thai eateries, but this entry seeks to stand out by decorating its pocket-size digs with a Pop Art flair - e.g. bright red banquettes and button-like cushions affixed to concrete walls; the menu features the usual array of curries, noodles and wok dishes, in simple but artistic presentations (one nice touch: rice molded into a star).

DAILY NEWS

When Peter Choptipan was designing the mod and modesty scale Tiny Thai Cafe in Hell's Kitchen he had another foursome in mind. " I wanted it to be fresh, sexy, stylish and alive." He says. He chose raw cement for one wall, he painted another one bold shades of zucchini green, pumpkin and chartreuse Round red cushions, -inspired, he says, by a layout in Dwell

Vege Vege ★★★1/2

[illegible] Vege Vege [illegible] prepared with an Oriental influence. The impeccably presented totally vegetarian food caressed our taste buds as we indulged in this gourmet offering. Price: Very Affordable. Soup ($1.95 - $3.95) Salad ($ .00 - $5.00) Side Order ($4.25 - $6.25) Main Course ($8.95 - $14.95)

Everything we tried, from the exotic mushroom soup to the Vege [illegible] Kebabs [illegible] delicious. In fact, we took our leftovers and enjoyed Vege Vege at home for the next two nights.

VEGETARIAN DINING IN NYC

By Arthur S Brown & Barbara Holmes

VEGE VEGE

Wonderful [illegible] elegant, totally [illegible] certified kosher [illegible] The chef and co-owner here [illegible] was formerly the chef at Zen Palate, and the quality of the food [illegible] reflects the standard of that restaurant.

For appetizer [illegible] the Moo Shu Basil Roll [illegible] filled with [illegible] The Curried Vegetarian "Chicken" is quite good and almost indistinguishable from a hearty stew, and the "Chicken" [illegible] A la King is superb. The artistry in the presentation of the dishes is truly amazing.
